

## Code Of Conduct

### Little Chalfont Nature Park Code Of Conduct

#### 1. Introduction

We hope you enjoy your visit to the Park and will return to see it again. The Park is home to rare wildflower meadow and is a sanctuary for wildlife and birds, so please take time to read and follow the Park Rules so that it can be safely enjoyed by everyone.

***Take nothing but pictures, leave nothing but footprints!***

***Please respect the natural world and enjoy your visit!***

#### 2. All visitors

- Ensure your own safety; beware of uneven ground – there are holes and hollows concealed by the vegetation.
- Please respect the wildflower meadow.
- Please respect the wildlife and resist the temptation to scare them by chasing or shouting.
- Please do not feed the wildlife.
- Do not pick any wildflowers or other plants.
- Consider other park users, when walking, jogging or running on tracks and paths.
- Ensure young children are supervised at all times.
- Smoking is not allowed in the Park. Please dispose of lit cigarettes carefully before entering.
- Do not start fires or light barbeques in any areas of the park.
- No cycling.
- Sorry no dogs except for guide and assistance dogs – we do not want to disturb the local fauna.
- Please don't climb trees or swing on branches.
- There are no litter bins, please take all litter home.

#### 3. Groups

If you are leading a group, then please also observe the following.

- If you are meeting a guide, then please assemble outside the Community Library/Park Entrance.
- Leaders are responsible for their group at all times, ensuring appropriate language and behaviour for a public venue

**Code Of Conduct**

- Provide appropriate adult supervision to all group members, guides will provide appropriate advice and knowledge about the park
- Leave the park as you found it, clean, tidy and respectful of the environment
- Please adhere to these conditions or you may be asked to leave the park.
